Back in 1994, we started out as Nu Kleen Services Limited, a specialist cleaning, waste management and recycling company offering all cleaning solutions from daily contract cleaning, through to ad-hoc and periodical cleans and managing cleaning and waste at events of all sizes.

Due to our ever-growing client base, 2016 has seen us expand with the creation of The Nu Group; the umbrella brand delivering a diverse mix of existing and new products and services, whilst offering our clients the very best customer experience. With our range of core services under one roof, we are now better placed than ever before to manage your requirements and ensure that your office or event runs smoothly and efficiently.

We have now grown into The Nu Group, which is made up of:

- [Nu Kleen](#)
- [Nu Office](#)
- [Nu Recruit](#)
- [Nu Hire](#)
- [Nu Facilities](#)

Our Nu Group management team has over 40 years' combined business experience which allows us to offer sound professional advice to all of our customers.

Our client portfolio and testimonials highlight the fantastic work we do and they really do speak for themselves. Our high level of repeat business where our loyal clients return to us time and time again is based on the principle that our Nu Group team really do make a difference.

The Nu Group will always deliver what truly matters; we expect the very best from every employee in

the pursuit of providing exceptional levels of service and support that our clients have come to expect. We instill in all our employees a work ethic that consists of a professional, dependable, honest, efficient and passionate way of working and by doing this we are confident that our clients are receiving the very best from us.

All of our team members are friendly, supportive, smartly presented and have a professional attitude at all times. We pride ourselves of being knowledgeable, helpful and polite and we go that extra mile to ensure our clients are happy.
